**Richard Burnley** is the managing partner of sales and marketing for Red Côte Rosé. He has been in sales and marketing all of his business life. Having received a Bachelor of Science degree in Business Administration from East Stroudsburg University of Pennsylvania, Richard has worked for wine and spirits leaders, such as Wilson Daniels, Cuvaison Winery, and Cabo Wabo Tequila.

The wines that Richard has marketed and brought to market from case #1 have combined sales of over one million cases.

**Jeffrey Miller** is managing partner of vineyards and winemaking operations. Jeff is a former attorney who has become a very hands-on grower and subsequent winemaker. Jeff's enthusiasm for winegrape growing and winemaking is unsurpassed. Along with his wife Beryl, he owns a small Napa Valley vineyard, and has 41 acres under cultivation in adjacent Suisun Valley. Because Jeff is growing Petite Sirah in Suisun Valley, Jeff joined PS I Love You, in order to stay informed about the growing of this up-and-coming cultivar.

The union of friendship between these two wine industry professionals, their proximity to place in Napa, and their common interest in all aspects of the wine industry gave rise to the creation of their parent company **Artisan Family of Wines**. Their common interest in producing wine with a great flavor profile and a competitive price point gave birth to their **Red Côte Rosé** brand within their company.
